

SHOW & TELL

Bring in 5-10 items that were made from a mold. Search for the part like. Do you best to find some that were made in a 1,2, and 3 part molds. Can you find anything that was made with more than a 3 part mold? Bring in things you don't mind marking. We will be drawing on the part line with a sharpie. Also, bring in any molds you might have.
